BOLD ROBBERY.

Juan Rivera, a Mexican, Breaks into Wetzler Bros. Store Monday night and causes quite a Sensation.

We were attracted Monday morning by a large crowd gathered in front of Wetzler Bros. store, and upon investigation it was found that the store had been burglarized. The thief had removed a light of glass from the front door and made his entrance through the opening. He seemed to be possessed of a large amount of nerve as once inside he deliberately lighted a lamp and went to work. The cash drawer, desk, and places where money was apt to be found were rifled but with small results. A few revolvers watches and a coat and vest were taken. While crawling through the window the man cut his hand and spilled considerable of his precious blood over the floor, and it was by this and the coat and vest that he was easily run down by our Navajo county officers. The whole Pinkerton force couldn't have done a neater and quicker job, as by nine o'clock the gentleman was looking through the bars of the county bastille.

Those who left here Monday night to attend a conference of the Litter Day Saints to be held at Salt Lake City Oct. 5, 6 and 7, were: Mrs. Jas. Pearce, Mrs. G. M. Adams, Mrs. John McLaws, John W. Julius Wetzler returned Tuesday morning from his European trip. Mrs. Wetzler and son remained in Germany on a further visit to the old home. They visited the Paris exposition and nearly all the interesting points in the old countries. Julius might give us an account for publication of his troubles while abroad.

C. H. Brown this week purchased from A. F. Potter his entire flock of sheep and all the paraphernalia pertaining thereto. We understand the purchase was made by Mr. Brown for the purpose of starting his nephew, Fred Brown, in the business.
